It's 5 O'Clock Somewhere. Inspired by the lyrics and lifestyle of Jimmy Buffett and the fun and escapism of Margaritaville, this resort covers all the bases. Located on Water Bay at the eastern end of St. Thomas, this beachside location is nestled in a cove fringed by waving palm trees. It's the perfect escape for anyone with a sense of adventure looking for music and fun on their next vacation, or for those dreaming of a more laidback experience.

RESORT FUN. From the moment you pass the native stone entry walls and start hearing those familiar songs, you enter a world like no other. Wyndham St. Thomas is island living at its best. This unique resort features accommodations offering a nautical feel, with clean lines and custom millwork. Built-in galley kitchenettes include a bar area complete with Frozen Concoction Maker® and all units have a relaxing outdoor seating area. Retreat to the hot tub, join in the poolside activities, find an empty hammock calling your name, or enjoy a salty margarita, ice-cold LandShark Lager or boat drink poolside at the 5 O'Clock Somewhere Bar. And it wouldn't be paradise without a Margaritaville restaurant serving up island-inspired food with a twist, including that juicy cheeseburger in paradise. As evening begins, watch the setting sun by the warmth of a fire pit, or relax on the beach in an Adirondack chair with an after-dinner drink. And it wouldn't be Margaritaville without music, so join your fellow Parrotheads for some live entertainment at the Six String open-air stage. Tiki bars, songs from St. Somewhere and warm summer breezes — it doesn't get any better than this.

Wundham St. Thomas

BEYOND THE RESORT. If you're in the mood for a little activity, rental car access is available on site. Red Hook is close by with its picturesque open-air restaurants, unique shops and galleries. Play a round of golf at one of the top courses in the Caribbean, Mahogany Run. Climb the famous 99 Steps of Charlotte Amalie for an incomparable view of the Caribbean or do it the easy way on the Skyride. Coral World is a favorite among both visitors and residents and is a short walk from the resort.

As you mix up a favorite boat drink with your Frozen Concoction Maker[®], driftwood-finished furnishings and colorful accents let you float away to your own salty piece of paradise. Experience mountain latitude with an island attitude at the hotel's rooftop pool and bar, or indulge in coastal-inspired comfort food at Jimmy Buffett's Margaritaville[®].
